

World Day of Prayer for the Care of Creation – September 1st

This day marks the beginning of the Season of Creation, which lasts until October 4th, the feast of St. Francis of Assisi. The theme for this year's Season of Creation is “Hope & Act with Creation” which draws its inspiration from the Letter of St. Paul to the Romans (Romans 8:19-25). It is a special time for all Christians to pray and work together to care for our common home. The Holy Father calls us, with the assistance of the Holy Spirit, to

seek to live "a life that becomes a song of love for God, for humanity, with and for creation, and that finds its fullness in holiness."

This day also coincides with an Orthodox Church day of prayer for creation. Please join our Christian brothers and sisters in praying for our world!
