

A word of welcome from Father Francis Ezenezi

Thank you for choosing to join us here at St. Peter the Apostle. We are glad that you are here and look forward to getting to know you. One of the best ways to get to know the parishioners and the life of this parish is to get involved, so we encourage you and other members of your household to freely offer your talents and gifts if possible for the good of the community. Within the limits of your own demands, we hope you find a way to use these gifts to enliven and enrich our parish. Please do not hesitate to contact the parish office should you wish to volunteer your special gifts or talents, all of which are God-given for the good of all. Our staff is ready to assist you in this or any other regard.

As members of our parish, we would welcome your financial support if this is possible as well. Like you, we face weekly demands and expenses, so we hope that you will be able to contribute on a regular basis. Both the parish collection envelopes and our Pre-authorized Debit Program are effective weekly reminders of your pledge to this parish. They also enable us to provide you with an annual tax receipt based on the amount you have given during a specific year. Please take a moment to decide on the amount of money you are able to contribute, not only to us, but also to any other charities that you judge to be worthy of your support. Divide the amount that you are able to contribute to your Church into weekly contributions and begin now to set aside the necessary funds for the collection. An annual review of your offering, which fits your budget and expenses, will enable us to continue making great contributions to our community and to each other in our common journey of faith. Offering envelopes and information about the Pre-authorized Debit Program are available in the sacristy or the parish office.

Thanks again for joining us.
